RELEASE: Residents at Zen Center of Los Angeles may find some aspects of the program physically or mentally demanding. The programs include physical work and certain other requirements. I may freely decline to participate in any work which in my sincere judgment is dangerous to my health. I realize that I may consult with a teacher or senior from the Center to resolve any difficulties I might have. I agree to release and to indemnify Zen Center for any injury to others caused by me. I understand that my physical, mental, and emotional well-being are my own responsibility and understand that practice is not a substitute for therapy. I am receiving treatment for any medical or psychological condition(s) I have, and I have revealed all pertinent information on this form.

I understand that the Zen Center of Los Angeles is a Zen Buddhist religious practice center and that preference for residency is based on my commitment to practice:

- 1. Study/Zazen
- 2. Liturgy
- 4. Service/Work in the Community
- 5. Participation in the smooth functioning of the Community
