

Brown Green Group Notes

3/14 Members present:

Mukai, Nely (leader) Lynda (minutes)

Members away: Tara, True Joy (leader)

EARTH DAY (4/27) at ZCLA , b/g planning:

the film **DIRT** screens 1 & 1/4 hours, will start to show at 10:45 AM
set-up for viewing in dhama hall evening prior by b/g

lunch: b/g to do salad only and will coordinate with tenzo
salad picked, washed, etc. the evening before

connect formally with Dharma Lotus re another mud/garden cake
(she has molds from last year)

Lynda will print out 10 point questionnaire re electronics recycling as hand-out on earth day

poster and another form (?) of notification to be written requesting Sangha members bringing
their discarded electronics, large and small to the "e-pile" on earth day

the place for the e-pile will be the Jizo garden area near the walkway
these e-items will be received and displayed in some "junk-sculpture" form by b/g in the am
this one time b/g will take the items to their recycling destination after earth day

BIKE RACK PROPOSAL

in progress, location(s) clarified in re to lower visibility

SOLAR PANELS FOR NILOTPALA RESEARCH

revisit this with Solar City

buy/lease options

grants/subsidies

TREE ORDINATION

from our reading this idea occurred to all b/g members re the 3 redwoods
Mukai to present to and consult with Roshi, as a possible ZCLA event
look into arbor day calendar

VEGGIE GARDEN

add sprouts to garden a few days before earth day
on Garden Day, attend to tomato plants: feed/prune

READING:DHARMA RAIN

2 chapters on tree ordination discussed

move to next chapter

next meeting: 4/11/10
