

Disaster preparedness minutes December 3, 2013

November 17 minutes approved.

Generator follow-up – generator model approved. Four propane tanks (20 pound) approved for purchase. The generator has been ordered, delivery window will be December 12 to December 17. Pine ocean and Robert will follow up and pick up generator when it is available. Purchase of chargers will be deferred until 2014.

Water cistern follow-up – Faith Mind suggested placing the cistern under the folding table in the Nilopala and location was approved by Robert, Pine-Ocean and Jotai. Robert will follow up by making eight inch risers for the table so that the cistern can be placed underneath.

Strongbox follow-up – location was found for the second strongbox under the Pundarika stairwell. Pine ocean will follow up with a memo to Pundarika and Nilotpala residents concerning the new strong boxes.

New budget has been approved for 2014 in the amount of \$500.

Next meeting date: December 17 and December 31 not available. Next meeting date will be Tuesday, January 14.
