

Executive Circle Notes October 7th, 2010

Present: Ando, Mary, Faith Mind, Pine Ocean (notetaker), Myoho (facilitator).

Agenda:

Zen Center hours feedback
Executive Circle recruitment
Electric car recharging outlets proposal
Bookkeeper
Application for art shows at the Zen Center

Personnel issues were closed discussion only.

Zen Center hours -- the EC received only two brief messages by way of feedback from residents.

Executive Circle recruitment of new members -- closed discussion.

Electric car charging station -- Feedback is being collected as the proposal makes its way through intended recipient groups. Executive Circle discussion points will be included in this larger set of feedback notes.

Bookkeeper -- the Zen center's present bookkeeper received notice that she has been hired for a job in Oakland beginning January 1st, and it appears the Zen Center will be without a bookkeeper in the near future. Bedford, the Zen Center's previous bookkeeper, may be available as replacement. Although she resides in North Carolina, she provides long distance consultations. Mary agreed to research the matter further and write a proposal if feasible.

Application for showing art at the Zen Center -- Art exhibits should receive prior approval for reasons of liability, the current proposed application form design from Plum Hermit will assemble necessary information for review purposes.

Next meeting: October 21 2010.
