

Teachers Circle Meeting Notes
October 3-2009

Present at Oct 3 TC meeting were: Senseis Daishin, Ryodo, Kodo [via Skype] and Shingetsu.

Following are some of the issues discussed:

- 1] Gessho will be attending November 8 TC meeting.
- 2] Continued discussion around tenzo position and duties.
- 3] Sutra Copying class to be offered in 2010.
- 4] Wishing to serve the Sangha in as many helpful ways as possible, TC would like suggestions from the Stewards as to how we can be of more support in the many aspects of our practicing together at the Center. Are there particular ways in which TC can make themselves available to the Sangha that is not being explored right now? We hope to hear your ideas of how we can best be of service in sharing and supporting each other as we head into 2010.
- 5] We explored protocol of Statement of Right Conduct and Conflict Resolution and how we might have a public forum [or council] for sangha discussion on the topic. We are looking into the most effective way this can be done. Perhaps a yearly meeting to bring everyone together and go over the process. No decision reached as of now; will bring to our next TC meeting.
