

Present at TC meeting for Sept 13 were Senseis Ryodo, Kodo [via Skype], Shingetsu and Daishin.

Among other issues the following items were discussed:

1 - **Recent issues involving several residents and the means to resolve them.** As there is already a protocol in place to address such problems, TC feels it should be followed.

TC is always available if Buddha Circle/Residents Council request them to be.

2- **Enrollment minimum for sesshins, workshops and events at Center.**

TC will continue to discuss this question posed by the Day Group. No change as of now.

3. - **Gessho will meet with TC at their Nov meeting to discuss idea for ZP4 training.**

4 - **Question around Tenzo training for sesshin.**

TC has been asked to look into protocol and make suggestions. This is an ongoing conversation.
